(If you are coming from DONG with Yacht Moving)

If you are travelling from Leeuwarden to race in the Monte Carlo Cup 2014 please see below. This is the following Schedule for loading the fleet in Leeuwarden, as the loading dates have changed than we originally informed:

**Saturday 5th July:**
16.30: Yacht Moving will arrive in Leeuwarden and will be your contact. Yacht Moving cell number is +34619342600 and they will be waiting on the finish line, together with the organization.

Between 19-19.30pm all 10 trucks will arrive in the parking space allocated for loading. Yacht Moving will have a forklift for helping to load all boats quickly and safely. All teams need to move their boats from the finish line to the parking lot at Helicon Weg 40.

Please see below a map for your information and location. Once all boats are in the loading place, Yacht Moving will organize and coordinate loading of which team goes in which truck. After loading, Yacht Moving will send all number plates and boats allocation to you.

Once trucks are loaded, they will go back to their depot into a safe place, as it’s not allowed to drive on Sunday.

**Sunday 6th July:**
Once it’s permitted the circulation on Sunday evening, trucks will start their trip.

**Tuesday 8th of July:**
ETA in Monaco midday (exact time depends how the trip goes). In Monaco, Yacht Club de Monaco technical team will receive the boats.
If you have got any questions, please feel free to email Anabella or call Yacht Moving:

ON ARRIVAL

You will arrive on the 9th July 2014 to welcome your boat into the paddock at the new Yacht Club de Monaco: Quai Louis II, Monaco, 98000. Your boat will be placed in your team tent within the paddock, where technical inspections will begin. Please see attached the technical schedule timings and your individual time slots - these are subject to change and are a guide line as per some team requests.

TECHNICAL DIRECTIONS AND SAFETY - please review all aspects of documents provided to you. Safety is our main concern and we hope it is yours also.

Note: Attention for technical rule chapter 9: Please be aware of the fact that the skipper has to be 80kg. Extra ballast needed to be provided by teams themselves.
EVENT MAP

Please see below the official Solar1 event map.
THE PADDOCK

The paddock will be open 24 hours as day for you and also **open to the public until 6pm each event day**. Our Official Media Sponsor Eurosport and TRAC media company are our filming partners for the event and will be coming around and interviewing and recording your team for our own footage.

Please be accommodating to them.

Additionally we have press coming from around the world, international supporters of Solar1 as well as our partners, so please bare this in mind as they will also wish to speak with your team.

Please read through the circuit rules attached for full etiquette of the event.
TEAM EVENT SCHEDULE

As mentioned the **paddock is open 24 hours a day throughout the event**. Your boats will be left in the paddock area at all times apart from when racing on the water. We will have **24-hour security** for your boats safety, provided by BOSS SECURITE. You may have access into the paddock area at all times. Electricity will be supplied for you. There is lighting outside the Yacht Club, but feel free to bring your own. You will have **1 plug per 2 teams so you must share**.

**LAUNCHING BOATS**

- Launching the boats at the slipway will start 1:30 hours before the start of each race.

- Teams will be instructed (asked) to go the slipway, please await the signal from the organization.

- Cradles have to be set back in at the paddock in the tent of your team in braked position.

- To get back on shore await for the sign of the organization to bring the cradles to the slipway.

**Launch Schedule**

- **Thursday 10th July**
  Parade Lap: start launching 1.30pm

- **Friday 11th July**
  Fleet race: start launching 9.30am

- **Saturday 12 July**
  Slalom race: start launching 8.30am

- **One on one**: start launching 12.00am (possibility to stay on the water)
PARKING

This parking is for you to use after you have unloaded your boats into the paddock and registered. Attached in two separate documents are directions to your parking zone - highlighted with a RED arrow on the map below.

YOU CAN COLLECT YOUR PARKING PERMIT ON REGISTRATION.

These directions show you the route from NICE or a route from ITALY.

Parking will be on the esplanade des pécheurs behind the old Clubhouse.
PARKING PASS

You will receive your parking passes ON registration. Parking passes are to be displayed in your vehicle in order to gain access into the parking zone AT ALL TIMES.
ACCOMODATION

You have all received your team accommodation from Olga Ragozina.
